Know somebody with breast cancer?

The Otis Foundation's Community Enterprise gives you an opportunity to help individuals and families whose lives have been affected by breast cancer.

Breast cancer touches so many people. The money raised via this project will enable The Otis Foundation - a Bendigo born and based, not-for-profit organisation - to expand and maintain its growing national network of retreat properties which are made available to those living with breast cancer at no accommodation cost. This project represents an extension of Bendigo Bank's long-standing association with The Otis Foundation.

It's as easy as doing your banking

For The Otis Foundation to continue its work, we need to work together. It's not difficult and you don't need to donate time or money - but we encourage you to if you can.

Quite simply, supporting The Otis Foundation is as easy as doing your banking.

Do your banking with Bendigo Bank.

The Otis Foundation will receive a commission from the business of every supporter who banks with Bendigo Bank. So by doing something as simple as your day-to-day banking with the Bendigo, you can generate money for The Otis Foundation.

The more banking business you do with the Bendigo, the more money The Otis Foundation will receive.

Tell your family, friends, neighbours and workmates. Support The Otis Foundation to expand and maintain its growing network of retreat properties.

Let your actions speak louder than words.

Let's not wait for others to make good ideas happen. I want to support The Otis Foundation.
