

HELPFUL INFORMATION

Heating

Bramare has in-floor heating which operates automatically during the winter months. It also has two small ceramic fan heaters should you require them. You are welcome to use the open fire place but we ask you take extreme care when leaving the fire unattended overnight. For your own safety, please ensure the fire screen is in place before going to bed.

Keys

Bramare has an electronic entry system for the front door. The code will be given to you on confirmation. You will find a key, which opens all other doors and windows, inside the property.

Parking

Please **DO NOT** park at the front entrance to the property on the cobbled stone area. You are welcome to use the garage.

Water

Bramare uses tank water. As Bendigo is experiencing severe drought conditions, we appreciate your thoughtful water use within the house.

Telephone

You can receive incoming calls on the telephone. You may only make outgoing calls to local numbers (ie numbers with a 03 54 area code). Number is (03) 54 393-223.

Emergencies

In case of an emergency relating to the house and its facilities, contact the Unit Manager. In case of a medical emergency or any health related problem, please ring 000 or contact the Bendigo Hospital.

Shopping

Strathfieldsaye has a very good shopping centre which will be able to supply most of the items you require for your stay, should you wish to avoid Bendigo itself.

Turn left at the top of the driveway and travel a couple of kilometres until you hit a major crossroad. Turn right at the intersection and travel around 500 metres.

The shopping centre includes a super market and liquor outlet, newsagency and video shop. In the complex adjoining there is a fruit shop, butcher, take away outlet and cafe. Close by there is also a petrol station, post office, chemist and pub which serves reasonably priced meals.
